4 VAL LÉES

Dear Parents

It's definitely been a snow themed week for all, either taking part or watching.

On Wednesday, it was school race day. The boarders won a fair share of the medals and podium places. Congratulations to all that took part from our boarding community from the experienced riders to the improvers. The prize giving ceremony was at school with drinks and snacks and was very well attended.

Verbier this week also hosted the Free Ride World Tour finals on the slopes of Verbier's Bec des Rosses, a mountain reserved for this event. The slopes exceed 50 degrees amidst a complex network of technical terrain. Many of the students went to watch the event and took selfies taken with the competitors. The weather was perfect and a thrilling event. Verbier was certainly awake and buzzing on and off the slopes

Back at Flore, we welcomed back some former students as well as some new faces. Zvetlana explained the benefits of Yoga and we have organised for the holiday weekend, some sunrise and sunset yoga sessions.

World Tour Finals

Verbiér this week hosted this prestigious event.

Many of our boarders met with the competitors and winners at the event on Friday.

Verbiér was certainly alive and kicking this weekend with stalls lining Rue de Médran.

Our week ahead

The week ahead

This weekend, we are looking forward to the Easter long weekend. This is an opportunity for families to have some extra time together and for those students remaining with us, we have put together a mixture of activities that we hope our boarders will enjoy. Along with the option to enjoy the slopes, this will include some special meals out, fun egg treasure hunt, an egg rolling competition, sunrise and sunset yoga, a trip to the lakeside and dinner out.

Spring holiday

Departure times Friday 5th April to midday Saturday 6th April.
Return date Monday 22nd April before 6pm
