

## Le Chalet de Flore

4th March 2024

Our fantastic view every morning!

### Dear Parents

Everyone has settled back into house and school life. Extra curricular activities continue after school as last half term.

This weekend we welcomed Halley and Celeste to Chalet Flore. Celeste and Ela enjoyed making cookies for everyone on Friday evening and these were thoroughly enjoyed by those lucky enough to get one or two. Many also enjoy the online team game with Phil trying to beat some of the boys. Saturday many were up early to ski and enjoy the recent fresh snow conditions.

Continuing on the food theme, we try to make pancakes on ski days and this certainly helps keep everyone's energy up throughout the morning.

We are in the initial stages of converting one of the chalet basement rooms into a fitness room. This will have some free weights, bikes, multi gym, punch bag and pilates equipment. I'm sure that it will be well used and appreciated by all. We would like the students to be part of the set up process and we have consulted them on some of the items required. Picture and idea below.
