

COPPERFIELD
VERBIÉR

Verbiér, 22 March 2021

Dear Copperfield parents & students,

We hope you enjoyed the beautiful weekend - the valley looks stunning again this morning.

PHOTOGRAPHS

The school photos are finished and are on display in our café. We have taken individual, sibling and class photos. You are welcome to order them from Alpimages: <https://alpimages.ch/en/> +41 27 771 7722.

SEASONAL FAMILIES FOR NEXT YEAR

The school has capped the number of seasonal places we will offer next January, in order to protect the educational experience of both annual and seasonal students. A third of these places have already been taken. Please do let us know if you would like to reserve a place.

One of the new seasonal families would like to book a chalet for the season and their preference is to rent from a family of the school. Therefore, we would be grateful to hear on their behalf from families who have a family chalet available to rent.

PARENT BOOK CLUB

As mentioned in the last newsletter, the Copperfield parent book club will begin with [Stoner](#) by John Williams. If you would like to participate, please let us know - it will be casual and friendly rather than a demanding cultural experience!

ONLINE LEARNING AND COVID

Thank you for your amazing support last week: the whole community collaborated to ensure that we controlled the spread of the virus, and the team spirit was fantastic. We continue to learn more about online education and are grateful for any and all feedback so that we can plan ahead and improve, should there be a 'next time'.

Yours faithfully,

Hugh McCormick
