

Verbier, 24 March 2021

*Dear Copperfield parents & students,*

We hope you are enjoying this beautiful day!

GCSEs

Yesterday our London site gained approval to administer Centre Assessed Grades for GCSEs and A-levels:

This means that Copperfield Verbier students can take GCSE exams this summer, without leaving Verbier. Our staff have been working hard in the last 24 hours, working out what subjects would be optimal and for which students.

If you would like your child to sit a GCSE, or would like to discuss this option, please do let us know. There is no reason to sit all of these exams at one point in time and indeed many top UK schools spread these exams across several years.

We are very excited that our first GCSE may be awarded this summer, less than two terms after opening. This underscores our investment in providing the highest quality of educational infrastructure, as well as the strengths of our multi-campus, international philosophy.

Yours faithfully,

*Hugh McCormick*
