

COPPERFIELD
VERBIÉR

Verbiér, 25 January 2021

Dear Copperfield parents & students,

Thank you for your support in these past few days. We have been taking uncompromising steps to ensure that normal classes can resume for our students. We write with arrangements for the coming days.

SUNDAY

Our lawyer, Me. Sébastien Fanti, will be available to parents who wish to ask him questions:

- In person at 1130hrs in the parking area next to the golf club at Les Esserts, and
- By telephone during the afternoon on +41 795 031 515.

MONDAY

There will be in person tuition in small groups, with 1 teacher per group. We will be communicating with you about the arrangements for your child individually. We will ensure that all measures are COVID compliant.

TUESDAY

We are aiming to resume normal lessons, subject to authorisation of the Canton, who await formal confirmation of safety measures having been implemented (the upgrade of all identified windows from 40 to 60 minutes of fire protection). This confirmation was communicated by the Fire Service to the Commune with us in carbon copy on Friday 22 January, and we expect it to be warranted in an official communication to us by the Commune on Monday 25 January.

NEW STAFF MEMBER

Finally, I am thrilled that we welcome to our community Mr Raphaël Pauli. A trilingual Swiss citizen and Verbiér resident, Mr Pauli has a Master's degree in history from the University of Geneva, several years' teaching experience in modern languages and history, and is a Professeur de Ski with Ecole Suisse de Ski.

Yours faithfully,

Hugh McCormick
